

# Animal Care and Ethics Committee - Membership and Terms of Reference

## Section 1 - Establishment

(1) Established in accordance with the provisions of the [Animal Research Act 1985](#) and Animal Research Regulation 1995.

## Section 2 - Membership

### Composition

(2) The membership of the Animal Care and Ethics Committee shall be:

- a. Presiding Officer;
- b. two members from Category A;
- c. two members from Category B;
- d. two members from Category C; and
- e. two members from Category D.

### Category A

(3) A person with qualifications in veterinary science and with experience relevant to the activities of the institution. Veterinarians who lack this experience must familiarise themselves with the biology and clinical characteristics of the species of animals used.

### Category B

(4) A suitably qualified person with substantial recent experience in the use of animals in scientific or teaching activities. This will usually entail possession of a higher degree in research;

### Category C

(5) A person with demonstrable commitment to, and established experience in, furthering the welfare of animals, who is not employed by or otherwise associated with the institution, and who is not involved in the care and use of animals for scientific purposes. Veterinarians with specific animal welfare interest and experience may meet the requirements of this Category. While not representing an animal welfare organisation, the person should, where possible, be selected on the basis of active membership of, and nomination by, such an organisation.

### Category D

(6) A person who is both independent of the institution and who has never been involved in the use of animals in scientific or teaching activities, either in their employment or beyond their undergraduate education. Category D members should be viewed by the wider community as bringing a completely independent view to the ACEC, and must not fit the requirements of any other Category.

## **Term of Office**

(7) The term of appointment for members of the Animal Care and Ethics Committee shall be two years.

(8) Members are appointed by invitation from the Vice-Chancellor of the University following consultation with the Presiding Officer and their appointment approved by the Animal Research Review Panel.

(9) The two-year term of the office of the Committee members shall end on 30 June of the relevant year. Re-appointment is by invitation from the Vice-Chancellor and approval by the Animal Research Review Panel.

## **Presiding Officer and Deputy Presiding Officer**

(10) The Presiding Officer shall hold a senior position in the University and be an additional appointment to Category A to D members. The Presiding Officer shall be appointed by the Vice-Chancellor of the University.

(11) The Presiding Officer shall have an understanding of the ethical and animal welfare issues involved in the use of animals for scientific purposes. It is desirable that the Presiding Officer shall also have a background in research.

(12) The Deputy Presiding Officer shall be elected by the Committee at its first meeting of the new term of office.

## **Executive of the Animal Care and Ethics Committee**

(13) The Committee shall appoint an executive which shall comprise the Presiding Officer, one Category A member and one Category C or D member.

(14) The Executive of the Animal Care and Ethics Committee shall be appointed by the Committee at its first meeting of the new term of office.

## **Right of Audience and Debate**

(15) The Laboratory Manager of the David Morell Laboratories shall have right of audience and debate at meetings of the Animal Care and Ethics Committee.

# **Section 3 - Terms of Reference**

## **Committee**

(16) The Animal Care and Ethics Committee shall:

- a. approve guidelines for the care of animals that are bred, held and used for scientific purposes on behalf of the University;

- c. recommend to the University any measures needed to ensure that the standards of the Australian Code of Practice for the Care and Use of Animals for Scientific Purposes are maintained;
- d. require that all members declare any conflict of interest;
- e. examine and approve, approve subject to modification, or reject written proposals relevant to the use of animals for scientific purposes.
- f. approve only those studies for which animals are essential and justified and which conform to the requirements of the Code. This should take into consideration factors including ethics, the impact on the animal or animals and the anticipated scientific or educational value;
- g. withdraw approval for any project;
- h. authorise the emergency treatment or euthanasia of any animal;

- i. examine and comment on all institutional plans and policies that may affect the welfare of animals used for scientific purposes;
- j. maintain a record of proposals and projects;
- k. maintain minutes that record decisions and other aspects of the Committee's operation;
- l. comply with the reporting requirements of the University and the Code of Practice as follows:
  - i. submit a written report on its activities at least annually to the University Council;
- m. deal with instances of non-compliance with the Code to ensure that the processes are fair and effective, and that there is appropriate reporting to the University;
- n. refer irreconcilable differences between the Committee and an investigator or teacher to the University Council for review of the due process. The ultimate decision of the Committee after such review must not be overridden; and
- o. perform all other duties imposed by the Act or the Regulations , including the Code of Practice prescribed under the Regulation.

### **Presiding Officer**

(17) The Presiding Officer shall:

- a. ensure that the Committee operates in accordance with the principles and requirements of the Code of Practice , the relevant policies of the University and the agreed Committee procedures;
- b. ensure that proposals are considered by the Committee and the outcomes conveyed to investigators and teachers in a timely manner;
