- all functions that have been delegated to officers or bodies of the University, and
- any function that is not specifically delegated to an officer or body.

(7) The Vice-Chancellor has the power and authority to exercise any delegation conferred by the Council on an officer or body, except delegations:

- a. made to a member of the Council,
- b. made to a committee of the Council,
- c. made to the University Secretary or other officer that reports directly to Council (in respect of the duties that the officer is directly responsible to Council for),
- d. that would exceed the general expenditure delegation granted to the Vice-Chancellor, or
- e. that pertain to the position of Vice-Chancellor (for example, the appointment, terms and conditions and/or resignation of the Vice-Chancellor).

(8) The Chancellor has the authority to exercise any delegation conferred by the Council on the Vice-Chancellor, however, this may only be exercised where the Vice-Chancellor is unable to exercise the delegation in their own right (e.g. conflict of interest).

(9) The Deputy Chancellor may exercise the powers and authorities conferred on the Chancellor under clause 8 during an official absence of the Chancellor, while the Chancellor is outside Australia or during a vacancy in the office of the Chancellor.

(10) Where a Council committee or the Academic Senate becomes inquorate and is temporarily unable to fulfil its duties, the delegations for that committee or Academic Senate will elevate to the Council and then to the Emergency Committee of Council if circumstances require.

## Part B - Scope of delegations

### Scope of delegated functions

(11) A delegation must be exercised within the following scope:

- a. A delegate cannot exercise a power or authority that the Council itself is not legally permitted to exercise.
- b. A delegation must be exercised in accordance with any conditions to which the delegation is subject, including any:
  - i. conditions specified in this policy and/or the delegation schedule, where a condition expressed in the schedule overrides any contrary expression in a policy, procedure, academic regulation or guideline of the University,
  - ii. requirements for meeting the University's regulatory and legislative obligations,
  - iii. requirements of the [Enterprise Agreement](#), or
  - iv. requirements expressed in any policy, procedures, regulations or rule of the University, including the [Code of Conduct](#), subject to subclause 11b.i.
- c. Except where a delegate is responsible to the Council directly, delegates remain subject at all times to the direction and authority of the Vice-Chancellor.
- d. A delegate may, in the exercise of a delegated function, exercise any other function that is incidental to the delegated function.
- e. A delegate will have the authority to execute documents (such as contracts and agreements) necessary to give effect to that function, in accordance with the relevant rules, policies and procedures, unless a specific delegation for the execution of documents is set out in a delegation schedule.
- f. A delegation to approve includes a delegation to suspend, amend and revoke an approval.

## Part C - Rules governing delegations

### Delegations to positions and bodies

(12) A delegation may be conferred on:

- a. a position, not an individual person, and will extend to any substantive occupant of the position, and any person while acting in the position on a temporary or interim basis unless otherwise specified in writing, or
- b. a body (such as a committee or Academic Senate), where the body must exercise the delegation acting as a body in accordance with its terms of reference. However, a body may authorise a person to act on its behalf in accordance with Part D of this policy.

(13) A delegation to a position or a body may be:

- a. taken to be a delegation to the principal successor of the functions of a position or body, where that position or body is abolished or re-named,
- b. (for a position) exercised by that delegate's supervisor or line manager and each officer in the direct line of organisational authority superior to that officer,
- c. validly exercised in relation to a function that is dependent on the opinion, belief or state of mind of the Council, through the opinion, belief or state of mind in relation to the matter of the delegate,
- d. exercised by another position or body authorised by the delegate under the conditions set out in Part D. Such an authorisation does not amount to a sub-delegation; delegations cannot be sub-delegated under [the Act](#), only the Council may delegate a function, and
- e. wholly or partially withdrawn or restricted (permanently or temporarily) at any time by the substantive occupant of a superior position in the delegate's line of authority, except where the delegate is responsible directly to Council. Any such withdrawal or restriction must be notified in writing to the University Secretary and relevant organisational units (e.g. Division of Finance, Division of People and Culture).

(14) A delegate must:

- a. only exercise their delegations with regard to functions or staff for which the delegate holds line management responsibility,
- b. avoid actual or potential conflicts of interest and exercise their delegations subject to the [Code of Conduct](#) and the [Conflict of Interest Procedure](#), and, with regards to members of Council, the [University Governance Framework](#),
- c. not exercise a delegation in respect of themselves or an activity or transaction from which they may obtain a workplace or personal benefit (for example the approval of their own travel, promotion, bonuses, salary, recruitment and leave),
- d. ensure that any financial and expenditure delegations are exercised responsibly and:
  - i. within the limits of the available funds of the budget centre to which the delegate belongs or an approved source of funds,
  - ii. the cost of a transaction is not separated into parts for the purpose of exercising a delegation, and the total cost of a transaction is not offset by deductions or trade-ins,
  - iii. any variations to the cost of a transaction are approved by the delegate or, if the sum of the variation and the original cost exceed the original delegate's authority, the variation is approved by another delegate who has the necessary delegation in the line of authority.
- e. only exercise any administrative authority within the expenditure limits of their delegation,
- f. ensure that, where they seek third party advice in exercising a delegation, they retain a substantial degree of control over the exercise of the function entrusted to them,
- g. ensure that the exercise of their delegations by any authorised officers is compliant with this policy, and
- h. ensure that evidence of any decisions and approvals under the delegation is recorded as set out at clause 16.

(15) Authorisation to operate a corporate credit card does not of itself confer on a staff member a delegation or

authorisation to commit or expend funds. Purchases made by credit card must be approved by the appropriate delegate under this policy or a specific resolution of the Council.

## **Evidence of decisions**

(16) Each exercise of a delegation must be evidenced appropriately:

- a. For routine financial transactions, such as travel, minor equipment purchases, petty cash and so forth, the signing or approval of a travel order, purchase requisition or similar document by the delegate is sufficient evidence as long as the purpose is clearly described in the transaction documentation.
- b. Approval exercised within a computer system that requires secure login access and a unique username used for tracking the delegate's approval against transactions, will be sufficient evidence.
- c. In situations other than clause 16 a. or b., evidence must be in writing and include reasons to support the exercise of the delegation, and a record kept in accordance with the [Records Management Policy](#). Written evidence may be in electronic form.
- d. Where the delegate's signature is required, the requirement will be met if:
  - i. the approval is in an email from the official Charles Sturt University email address of the delegate,
  - ii. the email includes an email signature of the delegate, and
  - iii. the email states in specific terms the nature of the approval and that the approval is granted.
- e. Where the delegate requests that another person (such as an executive officer or executive assistant) apply their signature or email an approval, this should be identified with the words 'signed/sent for and on behalf of' the delegate.

## **Part D - Authorisations**

### **Authorised officers**

(17) A delegate may appoint an authorised officer to perform routine parts of their delegation on their behalf, where an authorised officer may be a position (or positions) or a body. In such cases, the delegate will retain personal accountability for the exercise of the delegation by any authorised officer, including compliance with applicable laws and University policies and procedures.

(18) To authorise another position or body to exercise a function or power, the delegate must:

- a. appoint the authorised officer in writing, setting out:
  - i. the terms of the delegation held by the delegate under a delegation schedule, and
  - ii. the exact scope of the authority that may be exercised within that delegation by the authorised officer.
- b. ensure that the position or body is qualified to exercise the function and is properly fulfilling their responsibilities at all times, and
- c. retain a list of authorised officers, including a reference to dates on which that authorised officer was authorised to act. A [Standing Authorisations Register template](#) is available for use by the delegate.

(19) The Vice-Chancellor and the Academic Senate may authorise a position or body to exercise certain functions within their delegations through rules, terms of reference or other means.

### **Functions that cannot be authorised**

(20) An authorisation cannot be granted:

- a. where the terms of a delegation require the delegate personally to exercise a significant discretion (e.g.

negotiation of a binding contract),

- b. where the terms of a delegation require the delegate to form an opinion personally themselves (e.g. whether a member of staff has met the criteria for probation),
- c. where the decision would significantly affect the rights of an individual (e.g. expulsion of a student),
- d. where the decision requires the expenditure of funds by the University or a budget centre at or above Band 6, or
- e. otherwise where the authorised officer would be required to exercise significant independent judgement.

## **Exercising an authorisation**

(21) Where an authorised officer exercises a delegation:

- a. it will be taken as though the delegate had exercised the delegation personally,
- b. they will be subject to the same rules as the delegate under clause 14,
- c. if an approval is emailed, written and/or a signature is required, the authorised officer will write the words 'For and on behalf of the delegate, as an authorised officer' so it is clear that the person is acting under the authority of the delegate, and
- d. if the delegation is exercised through a computer system, the system must be able to differentiate between a delegation authorised by the delegate from that of the authorised officer, and be capable of providing an audit log showing the delegate's and authorised officer's decisions.

## **Part E - Changes to delegations**

(22) Requests for changes to delegations must be endorsed by the Vice-Chancellor, the relevant governance committee, or other relevant senior executive leader who has responsibility for the function.

(23) Once the change is endorsed, the proposed change must be submitted to the University Secretary who will then prepare recommendations to the Council to update the schedules to this policy. The University Secretary will publish the list of amendments to the schedule to this policy after the meeting of the Council to inform staff of the changes.

### **Delegations and policy changes**

(24) The development of rules, policies, procedures, and guidelines must conform to the arrangements for delegations. Where a change to a rule, policy or procedure is required for consistency with delegations, these may be approved as minor changes in accordance with the [Policy Framework Policy](#).

(25) Where a change to a delegation is proposed, any rule, policy or procedure that depends on the change cannot take effect until the change has been approved by Council.

## **Part F - Accountabilities and misuse of delegations**

### **Accountability statement**

(26) All delegates have a continuing obligation to the Council:

- a. for all decisions and actions taken pursuant to the delegation,
- b. for complying with the conditions governing the exercise of delegations, and
- c. to justify each exercise of a delegation, should this be required.

(27) Primary and secondary budget centre managers:

- a. are accountable for ensuring delegates in their area comply with the relevant conditions governing the use of delegations and take appropriate action in the case of breach,
- b. must provide an annual certification that the relevant conditions have been adhered to and financial controls exercised over the resources of that budget centre in the exercise of delegations in that budget centre, and
- c. are expected to monitor the exercise of delegations and authorisations in their areas. They are expected to take or recommend action, including suspending or recommending the revocation of a delegation or authorisation, if there is evidence of misuse of authorities.

(28) The Vice-Chancellor is responsible for ensuring that all officers and bodies are aware of and understand their duties with respect to delegations.

(29) The Council is accountable to the University's stakeholders to ensure that delegations are exercised appropriately and in the best interests of the University.

## **Auditing of delegations and authorisations**

(30) The exercise of delegations and authorisations will be subject to periodic review by the internal auditor.

(31) Authority to access and inspect any University document, file or record to assess compliance with this policy or for any other reason is set out in [Delegation Schedule A - Governance and Legal](#) and the [Internal Audit Charter](#).

## **Misuse of delegations or authorisations**

(32) Where an officer believes a delegation or authorisation has been improperly exercised, the officer should either:

- a. notify their supervisor or the relevant primary or secondary budget centre manager, or
- b. report a potential wrongdoing as set out in the [Public Interest Disclosure \(Whistleblowing\) Policy](#) and [Procedure](#).

(33) Where a supervisor or a primary or secondary budget centre manager receives the notification, they must:

- a. promptly investigate the claim,
- b. act according to the outcome of the investigation, and
- c. refer any serious matters through the [Public Interest Disclosure \(Whistleblowing\) Policy](#).

(34) If an investigation concludes that, on the evidence, a delegation was improperly exercised, the Chancellor or Vice-Chancellor (as the case may be) may approve action to be taken in accordance with the misconduct provisions of the University's [Enterprise Agreement](#) (in relation to employees covered by the Enterprise Agreement) and/or relevant employment contract and associated policies and guidelines.

(35) Where necessary during an investigation or in response to a breach, a delegation may be withdrawn or restricted, see clause 13e.

# **Part G - Emergency delegation of authority**

## **Establishment, composition and functions of the emergency committee of Council**

(36) This part establishes the Emergency Committee of Council and confers authorities and powers in accordance with section 4 of Schedule 1 and section 20 of the [Charles Sturt University Act](#), and subject to this policy and the [University Governance Framework](#).

(37) Under this part, the Chancellor (or, where the Chancellor is unable to act, their official delegate) shall have the authority to declare a state of emergency in the event that the Council becomes inquorate and is temporarily unable

to fulfil its duties, including where:

- a. the number of Council members falls below a quorum, or
- b. the number of members in any category of members falls below the number prescribed by the [Charles Sturt University Act](#) or [By-law](#) or any rules made by the Council.

(38) Where a state of emergency is declared in accordance with this part, the Emergency Committee of the Council will automatically be established in accordance with this emergency delegation.

(39) The Emergency Committee of Council will:

- a. be chaired by the Chancellor. If the Chancellor is not available, the Deputy Chancellor will act as Chancellor. - d. have the same expenditure delegations as Council.

### **Other arrangements impacting delegations where an emergency arises**

(40) Where an emergency impacts the ability of key officers of the University to perform their functions and duties, the delegations conferred by the Council on the Vice-Chancellor, or by the Vice-Chancellor on officers of the University, will be managed in accordance with the University's business continuity plans and this policy.

(41) Clause 40 will apply whether or not a state of emergency has been declared in accordance with this emergency delegation.

(42) Clause 10 applies where a committee of Council or the Academic Senate becomes inquorate, whether or not a state of emergency has been declared in accordance with this emergency delegation.

### **Activation of the emergency delegation**

(43) The Chancellor (or official delegate) must wait at least 24 hours after forming a reasonable expectation that Council will be inquorate to enact this delegation. This allows time for the University Secretary (or their delegate) to confirm the ability, or otherwise, of all Council members to fulfil their normal Council duties.

### **Duration and termination of the emergency delegation**

(44) The emergency delegation will apply only for the time that the membership of the Council is inquorate due to the emergency.

(45) If Council has not returned to quorum within three months, the Emergency Committee of Council will activate the process to fill the vacancies using best endeavours and in accordance with the terms of the [Charles Sturt University Act](#) and [Charles Sturt University By-law](#).

(46) The emergency delegation will cease and the Council will resume its powers in their entirety at such time that the Council becomes quorate, either by members returning to their duties or through appointment to vacancies. The University Secretary or their delegate will advise when the Council becomes quorate.

## Exercise of emergency delegations

(47) An action taken by any person or committee pursuant to this emergency delegation will be temporary in nature and effective only for the duration of the state of emergency, except where the context requires otherwise (such as entry into an agreement or irrevocable instrument), or the action is otherwise ratified by the Council.

(48) All delegations exercised under this emergency delegation will be exercised in accordance with the [Charles Sturt University Act](#), [Charles Sturt University By-law](#), relevant external legislation, the [University Governance Framework](#), this policy, the [Code of Conduct](#) and [Charles Sturt University Enterprise Agreement](#).
