

Governance (University Council) Rule 2021

Section 1 - Preliminary

Name of Rule

(1) This Rule is the Governance (University Council) Rule 2021.

Commencement

(2) This Rule commences on 2 August 2021 under resolution CNL161/2.

Purpose

(3) This Rule is enacted to define the composition of the University Council (the Council) and outline the functions conferred on that body under the [Charles Sturt University Act 1989 \(the Act\)](#).

Authority

(4) This Rule is made under the authority granted to the Council under section 32 of the [Charles Sturt University Act 1989](#).

Glossary

(5) In this Rule:

- a. Act - means the [Charles Sturt University Act 1989](#).
- b. By-law - means the [Charles Sturt University By-law 2005](#).
- c. Council - means the University Council established under section 9 of the Act.
- d. External person - means a person other than a member of the academic or general staff of the University or an undergraduate or graduate student of the University, as set out in section 8A of the Act. The University Governance Framework further provides that the person may not be an executive, employee or student of the University's controlled entities, and must be free from any business or other relationship which could materially interfere with the unfettered and independent exercise of their judgement (refer clause 76).

Notes and headings

(6) The notes and headings in this Rule do not form part of this Rule.

Section 2 - Council

Establishment

(7) There is to be a University Council, which is the peak governing body of the University.

(8) Under Section 19 (1A) of the [Act](#) the Council:

- a. acts for and on behalf of the University in the exercise of the University's functions, and
- b. has the control and management of the affairs and concerns of the University, and
- c. may act in all matters concerning the University in such manner as appears to the Council to be best calculated to promote the object and interests of the University.

(9) In accordance with the [Act](#) and the [By-law](#), the Council can define roles and delegate authority as necessary for the effective governance of the University, policy development and management.

(10) Functions particular to subcommittees established by the Council shall be set out in the membership and terms of reference of each committee.

(11) Authorities delegated by the Council are set out in the [Delegations and Authorisations Policy](#) and associated delegation schedules.

(12) Council will monitor the implementation of delegations made by the Council to delegates annually.

Terms of reference

(13) The Council establishes specific principles to guide the effective governance and management of the University. These principles underpin the activities of the Council and its committees, and are provided in Part C of the [University Governance Framework](#).

(14) Through its own activities or those of its sub-committees the Council shall be responsible for exercising the following functions:

Legislation, standards and policies

- a. Ensuring that the University complies with all relevant Commonwealth legislation and statutory requirements; state legislation and annual reporting requirements; and institutional Rules and policies.
- b. Approving University Rules, and establishing policy and procedural principles, consistent with legal requirements and community expectations.
- c. Monitoring and ensuring the provision of higher education and research training are governed by and comply with University policies across its operations and those of all associated third-party partners.
- d. Monitoring any lapses in compliance with all relevant legislation and regulations relevant to the provision of education and research services and overseeing the implementation of prompt corrective actions.
- e. Receiving regular reports on compliance activities and audits in relation to all operations of the University.

Educational environment

- a. Ensuring an educational environment is maintained within which:
 - i. academic freedom and freedom of intellectual inquiry is upheld and protected,
 - ii. the principles of social justice, equity and inclusivity underlie all initiatives, programs and operations and difference and diversity are valued,
 - iii. the wellbeing of students and staff is fostered and all students and staff are treated equitably,
 - iv. informed decision making by students is supported, and
 - v. students have opportunities to participate in the deliberative and decision-making processes of the University in accordance with the [Governance \(Student Representation\) Rule 2007](#).
- b. Ensuring the University's complaints and grievance procedures, and information concerning any rights of appeal or review conferred by or under any legislation are published in a form that is readily accessible to the public.
- c. Monitoring the occurrence and nature of formal complaints, allegations of misconduct breaches of academic or

research integrity and critical incidents, and ensuring action is taken to address underlying causes.

Academic activities and awards

- a. Ensuring mechanisms for competent academic governance and leadership have been implemented.
- b. Ensuring academic activities are operating according to an institutional academic governance policy framework that is effective in maintaining the quality of education offered.
- c. Ensuring policies and procedures are in place to validate the legitimacy and protect the integrity of all qualifications awarded by the University.
- d. On the recommendation of the Academic Senate, conferring awards, including honorary awards, in line with the [Governance \(Common Seal\) Rule 2013](#) and the [Governance \(Honorary Awards and Titles\) Rule 2021](#).

Vision, strategy and planning

- a. Approving the University's vision, strategy, annual budget and business plan.
- b. Approving the University's key performance indicators and monitoring performance against performance indicators in the Strategic Plan, targets as set in the budget and processes articulated in the business plan.
- c. Establishing and maintaining branches and Colleges of the University, within the University and elsewhere.

Financial actions and performance

- a. Approving and monitoring systems of financial control and accountability, including those relating to controlled entities as outlined in Section 19A of the [Act](#).
- b. Approving and monitoring significant commercial activities of the University, including in accordance with Section 24 of the [By-law](#).
- c. Ensuring the financial viability of the University.
- d. Ensuring the University has the financial capacity to apply and maintain sufficient financial and other resources to:
 - i. maintain the University and its business model,
 - ii. to enable the sustainability of the University's educational environment and offerings,
 - iii. achieve the University's objectives and performance targets, and
 - iv. sustain the quality of education being offered.
- e. Assuring the financial capacity of the University by:
 - i. borrowing or raising money and other necessary measures,
 - ii. investing funds belonging to or vested in the University, and
 - iii. promoting, establishing or participating in (whether by means of debt, equity, contribution of assets or by other means) partnerships, trusts, companies and other incorporated bodies, or joint ventures (whether or not incorporated).
- f. Monitoring the financial position, financial performance and cash flows of the University.
- g. Ensuring financial reporting is materially accurate, and that financial management meets Australian accounting standards.
- h. Ensuring that effective financial safeguards and controls are operating and that financial statements are audited independently by a qualified auditor against Australian accounting and auditing standards.

Risk management

- a. Overseeing risk management and risk assessment across the University for all of its operations and those of any third-party arrangements.

- b. Ensuring that risks to the University's operations, including commercial undertakings, have been identified and material risks are being managed and mitigated effectively.
- c. Ensuring there are credible business continuity plans, and adequately resourced financial and tuition safeguards to mitigate risks of disadvantage to students who are unable to progress in a course due to unexpected changes in the University's operations (such as where the University is unable to provide a course, loss professional accreditation for a course, or is otherwise unable to offer a course).

Review of Council performance and effectiveness

- a. The Council will:
 - i. undertake periodic self-assessments of the competence and effectiveness of the Council's operation and performance, including Committees of the Council,
 - ii. instigate periodic (at least every seven years) independent reviews of the effectiveness of the University's corporate and academic governance processes in accordance with requirements as set out in the [Higher Education Standards Framework \(Threshold Standards\) 2021](#),
 - iii. ensure the findings of independent reviews are considered appropriately and agreed actions are implemented, and
 - iv. monitor and review the performance of the Vice-Chancellor and the Chancellor against agreed criteria.

Part A - Membership

Notes: Section 8C of the [Act](#) prescribes the size of Council and categories of members. Section 8D of the [Act](#) specifies the qualifications and experience of Council members.

(15) The Council is to consist of a total of 17 members comprised of the following categories:

- a. Three elected members under section 8E(2) of the [Act](#), being:
 - i. one person who is a member of the academic staff of the University elected by members of the academic staff, and
 - ii. one person who is member of the general staff of the University elected by members of the general staff, and
 - iii. one person who is a student of the University who:
 - is not employed on a full-time basis (or on such other basis as the by-laws may prescribe) as a member of the academic or general staff of the University, and
 - is elected by the students of the University.
- b. Up to four members who are persons appointed by the Council who are graduates of the University under section 8F(1) of the [Act](#).
